## **What's new:**

**Guide The Lunar Executioners Please note this guide is outdated The Lunar Executioners are a 1-4 man group that calls upon the trappings of the lunar ritual place with all it's refinement and emphasis on necromancy. They are a close knit group whose goal is to seek justice, for revenge and more importantly to protect their hometown of Starnova from the encroaching darkness that has consumed the other tribes, led by the goblins and the Empire. The faction has been through many metamorphoses and only four things have remained constant: the spiteful explorers of the Midden Caverns in the northwest abandoned marshes, the upkeep of Starnova's tombs, the tireless travels of the great clan Thumbnail, and the fiery focus on vengeance and retribution for The Hidden Tribunal at the Sanctuary of Zum. The four founders of Lunar Executioners: Zi, Felgar, Faror and Trick. Tip The four members of Lunar Executioners are the only four that wear the 4 gear which includes the swastika icon associated with the Lunar Executioners. Role of The Lunar Executioners Lunar Executioners are currently a busy faction and are made up of 4 different factions: Blue Executioners from Alekrium Red Executioners from Sentinum Green Executioners from Qala Pink Executioners from Melastream These 4 factions are who Lunar Executioners were founded on, and they continue to play a big role in the group. This faction allows for a bigger list of players who can apply for the Lunar Executioners. Quests taken from these factions by its members will allow the blue Executioners to undertake the tasks necessary to complete their main stages of the story; the blue Executioners can help the last resistance to be free of the plague as well as help Nyagan, the leader of the goblin Horde. Blue Executioners Alekrium! The fanatic flavor includes the minor faction of the Alekrium who specialize in more action oriented and fast paced missions. The Alekriums live in a dangerous world filled with unbounded destruction and strange beasts. Much of their**
