so, you want to learn engineering mechanics? you will find many books are available. Pdf download), download Structural Analysis,. Forget the textbook and get all the books you need to succeed. Estimated Time to Complete. When I got my first tattoo it was from my friends Andrea & Paul. It was a ribbon tattoo on my wrist. I got it as a way to remember my love of my best friend & my boyfriend. I will never forget them or the night we got it. They are my best friends forever! Love you guys! You can check out their story in my latest interview. I think the way you are defined by your tattoos is kind of cool. I'm currently looking at getting some tattooed so I like the idea of choosing what kind of tattoo I get and make it reflect who I am now. What type of tattoo are you looking at getting? I would love to get something I can be proud of that says something about me. I don't know, maybe a quote or something. Something to tell my future self? Do you have any of your own tattoo inspiration?
