Mac OS X Snow Leopard is similar to Mac OS X Leopard, which was launched four years ago, with a focus on making it easier for Apple users to enjoy their Macs. The last version, Mac OS X Lion, was released in July 2011. New features include integrated iCloud backups, and Core Image hardware and software enhancements for accelerated performance. An option for a copy of Mac OS X Snow Leopard can be purchased for \$19.95 from Apple's website. The upgrade is not available for
