Lust caution 2007 free download full movie Download lust caution 2007 free download full movie Is porn good or bad porn? Do porn stars really enjoy their private videos made using their faces and breasts? Do they all sleep in a room with a camera? There are too many questions for most people. Let's try to find the answer to some of them in this excerpt from the book Allure (ASIN: B008YHN5IS), which is a riveting discussion of porn and fans. One porn star said she'd been working since she was 16 years old. She had eight plastic surgeries and at least \$10 million in credit card debt. She'd had a total of six affairs. She'd been married twice, had lived with her boyfriend for five years, had had four abortions, and given birth to two children - one of whom was a heroin addict. She said she was going to rehabilitate herself - lose weight, go to church and talk to her mother. The conversation continued for nearly two hours as we drank tea and ate cookies and talked about her mother and her boyfriend. She said she'd kill herself if her family found out. She said that she'd like to get back in the industry but that she'd have to work a lot of years and pay off her debt before she could move on. Finally, she said, "I hate to say this, but I'm kind of happy." In the video, the porn star tells us why the porn industry is such a good training ground for any job - from mens clothing sales to investment banking. In a way, her career helped her sell her mom and stepfather on the idea of father-son relationships. "I'm their oldest," she said, "so they're like, 'If that makes him happy, that's what we're going to do.'" Another porn star told us that her mom was another big influence on her career. She
