November 19, 2015 - Coub is YouTube for looping videos. You can take any video, trim the best part, merge with other videos, add soundtrack. Everything you do, you can easily do in Coub. We live in a world where YouTube, Facebook and Twitter are powerful tools for creating viral content. When the video is collected in one place, it allows viewers to quickly navigate through all the content. Coub users can do more than just watch your videos. They can participate in the creation of videos, comment and vote for the videos they like.
